ANY UNKNOWN SPOUSE OF MARTHA T. PIERCE

Serve: Warning Order Attorney

COMPLAINT FOR FORECLOSURE

Plaintiff, the United States of America, states as follows:

- 1. This is a mortgage foreclosure action brought by the United States of America on behalf of its agency, the United States Department of Agriculture Rural Housing Service also known as Rural Development (hereinafter collectively "RHS").
- 2. Jurisdiction arises under 28 U.S.C. § 1345. Venue is proper in this judicial division, where the subject property is located.
- 3. RHS is the holder of a promissory note ("the 2000 Note") executed for value on December 11, 2000 by Danny R. Phelps (initial borrower but not a defendant herein). The principal amount of the 2000 Note was \$60,600, bearing interest at the rate of 6.875 percent per annum, and payable in monthly installments as specified in the 2000 Note. A copy of the 2000 Note is attached as **Exhibit A** and incorporated by reference as if set forth fully herein.

- 4. The 2000 Note is secured by a Real Estate Mortgage (the "2000 Mortgage") recorded on December 22, 2000, in Mortgage Book 110, Page 296, in the Office of the Clerk of Lyon County, Kentucky. Through the 2000 Mortgage, Danny R. Phelps granted RHS a first mortgage lien against the real property including all improvements, fixtures and appurtenances thereto at 505 Sycamore Avenue, Eddyville, Lyon County, Kentucky (the "Property") and described in more detail in the 2000 Mortgage. A copy of the 2000 Mortgage is attached as **Exhibit B** and incorporated by reference as if set forth fully herein.
- 5. On or about January 9, 2007, Danny R. Phelps, a single person, conveyed the Property to the defendant **Martha T. Pierce** by Deed of record in Deed Book 143, Page 467, in the Lyon County Clerk's office.
- 6. On or about January 9, 2007, the defendant **Martha T. Pierce** signed and delivered to RHS an Assumption Agreement, a copy of which is attached as **Exhibit C** and incorporated by reference as if set forth fully herein. In and by the Assumption Agreement, the defendant **Martha T. Pierce** became liable to RHS under the 2000 Note and 2000 Mortgage in the amount of \$60,960.99, bearing interest at the rate of 5.75 percent per annum, and payable in monthly installments as specified in the agreement.
- 7. On or about January 9, 2007, the defendant **Martha T. Pierce** executed a second promissory Note ("the 2007 Note") in the principal amount of \$9,189.03, bearing interest at the rate of 5.75 percent per annum, and payable in monthly installments as specified in the 2007 Note. A copy of the 2007 Note is attached as **Exhibit D** and incorporated by reference as if set forth fully herein.
- 8. The 2007 Note and Assumption Agreement are secured by a Real Estate Mortgage (the "2007 Mortgage") recorded on January 10, 2007, in Mortgage Book 173, Page 459, in the Office of the Clerk of Lyon County, Kentucky. Through the 2007 Mortgage, the

defendant **Martha T. Pierce**, unmarried, granted RHS a mortgage lien against the real property including all improvements, fixtures and appurtenances thereto at 505 Sycamore Avenue, Eddyville, Lyon County, Kentucky (the "Property") and described in more detail in the 2007 Mortgage. A copy of the 2007 Mortgage is attached as **Exhibit E** and incorporated by reference as if set forth fully herein.

- 9. To receive subsidies on the loan, the defendant **Martha T. Pierce** signed a Subsidy Repayment Agreement authorizing RHS to recapture, upon transfer of title or non-occupancy of the Property, any subsidies granted to the defendant **Martha T. Pierce** by RHS. A copy of the Subsidy Repayment Agreement is attached as **Exhibit F** and incorporated by reference as if set forth fully herein.
- 10. On or about December 9, 2015, the Borrower, for value, executed and delivered to RHS a Reamortization Agreement which changed the terms of the Assumption Agreement and 2007 Note. Specifically, the unpaid principal and the unpaid interest were combined for a new principal amount of \$60,491.62, and the amount of the monthly installment payment was decreased to \$387.10. A copy of the Reamortization Agreement is attached as Exhibit G and incorporated by reference as if set forth fully herein.
- 11. The defendant **Martha T. Pierce** has defaulted on the Notes, Mortgages,
 Assumption Agreement, and Reamortization Agreement by failing to make payments when due.
- 12. RHS has, in accordance with the loan documents, accelerated the loan and declared the entire principal balance, together with all accrued and unpaid interest and all other sums due under the loan documents, to be due and payable. Further, RHS sent notice to the defendant **Martha T. Pierce** of the default and acceleration of the loan.
- 13. The unpaid principal balance on the Notes is \$68,967.45 with accrued interest of \$11,896.92 through November 9, 2018 with a total subsidy granted of \$13,682.51, escrow

charges of \$587.65, late charges in the amount of \$43.40, and fees assessed of \$1,817.85, for a total unpaid balance of \$96,995.78 as of April 9, 2019. Interest is accruing on the unpaid principal balance at the rate of \$11.1344 per day after April 9, 2019.

- 14. In accordance with the loan documents, the United States is entitled to enforce the Mortgage through this foreclosure action and to have the Property sold to pay all amounts due, together with the costs and expenses of this action.
- 15. The Property is indivisible and cannot be divided without materially impairing its value and the value of RHS's lien thereon.
- 16. The defendant **Any Unknown Spouse of Martha T. Pierce** may claim an interest in the Property, which interest is inferior in rank and subordinate in priority to the first mortgage lien on the Property in favor of the Plaintiff. Said Defendant is called upon to come forth and assert interests in or claims upon the Property, and offer proof thereof, or be forever barred.
- 17. There are no other persons or entities purporting to have an interest in the Property known to the Plaintiff.

WHEREFORE, Plaintiff, the United States of America, on behalf of RHS, demands:

a. Judgment against the interests of the defendants in the Property in the combined principal amount of \$68,967.45, plus \$11,896.92 interest as of April 9, 2019, and \$13,682.51 for reimbursement of interest credits, escrow charges of \$587.65, late charges in the amount of \$43.40, and fees assessed of \$1,817.85, for a total unpaid balance due of \$96,995.78 as of April 9, 2019, with interest accruing at the daily rate of \$11.1344 from April 9, 2019, until the date of entry of judgment, and interest thereafter according to law, plus any additional costs, disbursements and expenses advanced by the United States;

b. That the United States be adjudged a lien on the Property, prior and superior to

any and all other liens, claims, interests and demands, except liens for unpaid real estate ad

valorem taxes:

That the United States' liens be enforced and the Property be sold in accordance c.

with 28 U.S.C. §§ 2001-2003 subject to easements, restrictions and stipulations of record, but

free and clear of all other liens and encumbrances except liens for any unpaid ad valorem real

property taxes;

d. That the proceeds from the sale be applied first to the costs of this action, second

to any ad valorem real property taxes, if any, third to the satisfaction of the debt, interest, costs

and fees due the United States, with the balance remaining to be distributed to the parties as their

liens or interests may appear;

That the Property be adjudged indivisible and be sold as a whole; and e.

f. That the United States receive any and all other lawful relief to which it may be

entitled.

PRINCIPAL ADVANCES. If the entire principal amount of the loan is not advanced at the time of loan closing, the unadvanced balance of the loan will be advanced at my request provided the Government agrees to the advance. The Government must make the advance provided the advance is requested for an authorized purpose. Interest shall accrue on the amount of each advance beginning on the date of the advance as shown in the Record of Advances below. I authorize the Government to enter the amount and date of such advance on the Record of Advances.

HOUSING ACT OF 1949. This promissory note is made pursuant to title V of the Housing Act of 1949. It is for the type of loan indicated in the "Type of Loan" block at the top of this note. This note shall be subject to the present regulations of the Government and to its future regulations not inconsistent with the express provisions of this note.

LATE CHARGES. If the Government has not received the full amount of any monthly payment by the end of 15 days after the date it is due, I will pay a late charge. The amount of the charge will be 4.000 overdue payment of principal and interest. I will pay this charge promptly, but only once on each late payment.

BORROWER'S RIGHT TO PREPAY. I have the right to make payments of principal at any time before they are due. A payment of principal only is known as a "prepayment." When I make a prepayment, I will tell the Government in writing that I am making a prepayment.

I may make a full prepayment or partial prepayment without paying any prepayment charge. The Government will use all of my prepayments to reduce the amount of principal that I owe under this Note. If I make a partial prepayment, there will be no changes in the due date or in the amount of my monthly payment unless the Government agrees in writing to those changes. Prepayments will be applied to my loan in accordance with the Government's regulations and accounting procedures in effect on the date of receipt of the payment.

ASSIGNMENT OF NOTE. I understand and agree that the Government may at any time assign this note without my consent. If the Government assigns the note I will make my payments to the assignee of the note and in such case the term "Government" will mean the assignee.

CREDIT ELSEWHERE CERTIFICATION. I certify to the Government that I am unable to obtain sufficient credit from other sources at reasonable rates and terms for the purposes for which the Government is giving me this loan.

USE CERTIFICATION. I certify to the Government that the funds I am borrowing from the Government will only be used for purposes authorized by the Government.

LEASE OR SALE OF PROPERTY. If the property constructed, improved, purchased, or refinanced with this loan is (1) leased or rented with an option to purchase, (2) leased or rented without option to purchase for 3 years or longer, or (3) is sold or title is otherwise conveyed, voluntarily or involuntarily, the Government may at its option declare the entire remaining unpaid balance of the loan immediately due and payable. If this happens, I will have to immediately pay off the entire loan.

REQUIREMENT TO REFINANCE WITH PRIVATE CREDIT. I agree to periodically provide the Government with information the Government requests about my financial situation. If the Government determines that I can get a loan from a responsible cooperative or private credit source, such as a bank or a credit union, at reasonable rates and terms for similar purposes as this loan, at the Government's request, I will apply for and accept a loan in a sufficient amount to pay this note in full. This requirement does not apply to any cosigner who signed this note pursuant to section 502 of the Housing Act of 1949 to compensate for my lack of repayment ability.

SUBSIDY REPAYMENT AGREEMENT. I agree to the repayment (recapture) of subsidy granted in the form of payment assistance under the Government's regulations.

CREDIT SALE TO NONPROGRAM BORROWER. The provisions of the paragraphs entitled "Credit Elsewhere Certification" and "Requirement to Refinance with Private Credit" do not apply if this loan is classified as a nonprogram loan pursuant to section 502 of the Housing Act of 1949.

DEFAULT. If I do not pay the full amount of each monthly payment on the date it is due, I will be in default. If I am in default the Government may send me a written notice telling me that if I do not pay the overdue amount by a certain date, the Government may require me to immediately pay the full amount of the unpaid principal, all the interest that I owe, and any late charges. Interest will continue to accrue on past due principal and interest. Even if, at a time when I am in default, the Government does not require me to pay immediately as describe in the preceding sentence, the Government will still have the right to do so if I am in default at a later date. If the Government has required me to immediately pay in full as described above, the Government will have the right to be paid back by me for all of its costs and expenses in enforcing this promissory note to the extent not prohibited by applicable law. Those expenses include, for example, reasonable attorney's fees.

If more than one person signs this note, each person is fully and personally obligated to keep all of the promises made in this note, including the promise to pay the full amount owed. EXHIBIT "A"

Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

- 1. Payment of Principal and Interest; Prepayment and Late Charges. Borrower shall promptly pay when due the principal of and interest on the debt evidenced by the Note and any prepayment and late charges due under the Note.
- 2. Funds for Taxes and Insurance. Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") for: (a) yearly taxes and assessments which may attain priority over this Security Instrument as a lien on the Property; (b) yearly leasehold payments or ground rents on the Property, if any; (c) yearly hazard or property insurance premiums; and (d) yearly flood insurance premiums, if any. These items are called "Escrow Items." Lender may, at any time, collect and hold Funds in an amount not to exceed the maximum amount a lender for a federally related mortgage loan may require for Borrower's escrow account under the federal Real Estate Settlement Procedures Act of 1974 as amended from time to time, 12 U.S.C. § 2601 et seq. ("RESPA"), unless another law or federal regulation that applies to the Funds sets a lesser amount. If so, Lender may, at any time, collect and hold Funds in an amount not to exceed the lesser amount. Lender may estimate the amount of Funds due on the basis of current data and reasonable estimates of expenditures of future Escrow Items or otherwise in accordance with applicable law.

The Funds shall be held by a federal agency (including Lender) or in an institution whose deposits are insured by a federal agency, instrumentality, or entity. Lender shall apply the Funds to pay the Escrow Items. Lender may not charge Borrower for holding and applying the Funds, annually analyzing the escrow account, or verifying the Escrow Items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. However, Lender may require Borrower to pay a one-time charge for an independent real estate tax reporting service used by Lender in connection with this loan, unless applicable law provides otherwise. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Borrower and Lender may agree in writing, however, that interest shall be paid on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds, showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for all sums secured by this Security Instrument.

If the Funds held by Lender exceed the amounts permitted to be held by applicable law, Lender shall account to Borrower for the excess funds in accordance with the requirements of applicable law. If the amount of the Funds held by Lender at any time is not sufficient to pay the Escrow Items when due, Lender may so notify Borrower in writing, and, in such case Borrower shall pay to Lender the amount necessary to make up the deficiency. Borrower shall make up the deficiency in no more than twelve monthly payments, at Lender's sole discretion.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If Lender shall acquire or sell the Property after acceleration under paragraph 22, Lender, prior to the acquisition or sale of the Property, shall apply any Funds held by Lender at the time of acquisition or sale as a credit against the sums secured by this Security Instrument.

3. Application of Payments. Unless applicable law or Lender's regulations provide otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied in the following order of priority: (1) to advances for the preservation or protection of the Property or enforcement of this lien; (2) to accrued interest due under the Note; (3) to principal due under the Note; (4) to amounts required for the escrow items under paragraph 2; (5) to late charges and other fees and charges.

4. Charges; Liens. Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may attain priority over this Security Instrument, and leasehold payments or ground rents, if any. Borrower shall pay these obligations in the manner provided in paragraph 2, or if not paid in that manner, Borrower shall pay them on time directly to the person owed payment. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Lender has agreed in writing to such lien or Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Borrower shall satisfy the lien or take one or more of the actions set forth above within ten (10) days of the giving of notice.

Borrower shall pay to Lender such fees and other charges as may now or hereafter be required by regulations of Lender, and pay or reimburse Lender for all of Lender's fees, costs, and expenses in connection with any full or

partial release or subordination of this instrument or any other transaction affecting the property.

5. Hazard or Property Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards, including floods or flooding, for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurer providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld. If Borrower fails to maintain coverage described above, at Lender's option Lender may obtain coverage to protect Lender's rights in the Property pursuant to paragraph 7.

All insurance policies and renewals shall be in a form acceptable to Lender and shall include a standard mortgagee clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by

Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within thirty (30) days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The thirty (30) day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If after acceleration the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the

sums secured by this Security Instrument immediately prior to the acquisition.

6. Preservation, Maintenance, and Protection of the Property; Borrower's Loan Application; Leaseholds. Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate, or commit waste on the Property. Borrower shall maintain the improvements in good repair and make repairs required by Lender. Borrower shall comply with all laws, ordinances, and regulations affecting the Property. Borrower shall be in default if any forfeiture action or proceeding, whether civil or criminal, is begun that in Lender's good faith judgment could result in forfeiture of the Property or otherwise materially impair the lien created by this Security Instrument or Lender's security interest. Borrower may cure such a default by causing the action or proceeding to be dismissed with a ruling that, in Lender's good faith determination, precludes forfeiture of the Borrower's interest in the Property or other material impairment of the lien created by this Security Instrument or Lender's security interest. Borrower shall also be in default if Borrower, during the loan application process, gave materially false or inaccurate information or statements to Lender (or failed to provide Lender with any material information) in connection with the loan evidenced by the Note. If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

7. Protection of Lender's Rights in the Property. If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender is not required to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender

to Borrower requesting payment.

8. Refinancing. If at any time it shall appear to Lender that Borrower may be able to obtain a loan from a responsible cooperative or private credit source, at reasonable rates and terms for loans for similar purposes, Borrower will, upon the Lender's request, apply for and accept such loan in sufficient amount to pay the note and any indebtedness secured hereby in full.

9. Inspection. Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

10. Condemnation. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender. In the event of a total taking of the Property, the proceeds shall be

applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the taking, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the taking, divided by (b) the fair market value of the Property immediately before the taking. Any balance shall be paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is less than the amount of the sums secured hereby immediately before the taking, unless Borrower and Lender otherwise agree in writing or unless applicable law otherwise provides, the proceeds shall be applied to the sums secured by this Security Instrument whether or not the sums are then due.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemnor offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within thirty (30) days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due. Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of such payments.

11. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to Borrower and any successor in interest of Borrower shall not operate to release the liability of the original Borrower or Borrower's successors in interest. Lender shall not be required to commence proceedings against any successor in interest or refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or Borrower's successors in interest. Any forbearance by Lender in exercising any right or remedy shall not be a waiver of or preclude the exercise of any right or remedy.

12. Successors and Assigns Bound; Joint and Several Liability; Co-signers. The covenants and agreements of this Security Instrument shall bind and benefit the successors and assigns of Lender and Borrower, subject to the provisions of paragraph 16. Borrower's covenants and agreements shall be joint and several. Any Borrower who co-signs this Security Instrument but does not execute the Note: (a) is co-signing this Security Instrument only to mortgage, grant and convey that Borrower's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower may agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without that Borrower's consent.

13. Notices. Any notice to Borrower provided for in this Security Instrument shall be given by delivering it or by mailing it by first class mail unless applicable law requires use of another method. The notice shall be directed to the Property Address or any other address Borrower designates by notice to Lender. Any notice to Lender shall be given by first class mail to Lender's address stated herein or any other address Lender designates by notice to Borrower. Any notice provided for in this Security Instrument shall be deemed to have been given to Borrower or

Lender when given as provided in this paragraph.

14. Governing Law; Severability. This Security Instrument shall be governed by federal law. In the event that any provision or clause of this Security Instrument or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision. To this end the provisions of this Security Instrument and the Note are declared to be severable. This instrument shall be subject to the present regulations of Lender, and to its future regulations not inconsistent with the express provisions hereof. All powers and agencies granted in this instrument are coupled with an interest and are irrevocable by death or otherwise; and the rights and remedies provided in this instrument are cumulative to remedies provided by law.

15. Borrower's Copy. Borrower acknowledges receipt of one conformed copy of the Note and of this

Security Instrument.

16. Transfer of the Property or a Beneficial Interest in Borrower. If all or any part of the Property or any interest in it is leased for a term greater than three (3) years, leased with an option to purchase, sold, or transferred (or if a beneficial interest in Borrower is sold or transferred and Borrower is not a natural person) without Lender's prior written consent, Lender may, at its option, require immediate payment in full of all sums secured by this

Security Instrument.

17. Nondiscrimination. If Borrower intends to sell or rent the Property or any part of it and has obtained Lender's consent to do so (a) neither Borrower nor anyone authorized to act for Borrower, will refuse to negotiate for the sale or rental of the Property or will otherwise make unavailable or deny the Property to anyone because of race, color, religion, sex, national origin, handicap, age, or familial status, and (b) Borrower recognizes as illegal and hereby disclaims and will not comply with or attempt to enforce any restrictive covenants on dwelling relating to race, color, religion, sex, national origin, handicap, age or familial status.

18. Sale of Note; Change of Loan Servicer. The Note or a partial interest in the Note (together with this

Security Instrument) may be sold one or more times without prior notice to Borrower. A sale may result in a change in the entity (known as the "Loan Servicer") that collects monthly payments due under the Note and this Security

Instrument. There also may be one or more changes of the Loan Servicer unrelated to a sale of the Note. If there is a change of the Loan Servicer, Borrower will be given written notice of the change in accordance with paragraph 13 above and applicable law. The notice will state the name and address of the new Loan Servicer and the address to which payments should be made.

19. Uniform Federal Non-Judicial Foreclosure. If a uniform federal non-judicial foreclosure law applicable to foreclosure of this security instrument is enacted, Lender shall have the option to foreclose this instrument in

accordance with such federal procedure.

20. Hazardous Substances. Borrower shall not cause or permit the presence, use, disposal, storage, or release of any hazardous substances on or in the Property. The preceding sentence shall not apply to the presence, use, or storage on the Property of small quantities of hazardous substances that are generally recognized to be appropriate to normal residential uses and to maintenance of the Property. Borrower shall not do, nor allow anyone else to do, anything affecting the Property that is in violation of any federal, state, or local environmental law or regulation.

Borrower shall promptly give Lender written notice of any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property and any hazardous substance or environmental law or regulation of which Borrower has actual knowledge. If Borrower learns, or is notified by any governmental or regulatory authority, that any removal or other remediation of any hazardous substance affecting the Property is necessary, Borrower shall promptly take all necessary remedial actions in accordance with applicable

environmental law and regulations.

As used in this paragraph "hazardous substances" are those substances defined as toxic or hazardous substances by environmental law and the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials. As used in this paragraph, "environmental law" means federal laws and regulations and laws and regulations of the jurisdiction where the Property is located that relate to health, safety or environmental protection.

21. Cross Collateralization. Default hereunder shall constitute default under any other real estate security instrument held by Lender and executed or assumed by Borrower, and default under any other such security

instrument shall constitute default hereunder.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

22. SHOULD DEFAULT occur in the performance or discharge of any obligation in this instrument or secured by this instrument, or should any one of the parties named as Borrower die or be declared an incompetent, or should any one of the parties named as Borrower be discharged in bankruptcy or declared an insolvent, or make an assignment for the benefit of creditors, Lender, at its option, with or without notice, may: (a) declare the entire amount unpaid under the note and any indebtedness to Lender hereby secured immediately due and payable, (b) for the account of Borrower incur and pay reasonable expenses for repair or maintenance of and take possession of, operate or rent the Property, (c) upon application by it and production of this instrument, without other evidence and without notice of hearing of said application, have a receiver appointed for the Property, with the usual powers of receivers in like cases, (d) foreclose this instrument as provided herein or by law, and (e) enforce any and all other rights and remedies provided herein or by present or future law.

23. The proceeds of foreclosure sale shall be applied in the following order to the payment of: (a) costs and expenses incident to enforcing or complying with the provisions hereof, (b) any prior liens required by law or a competent court to be so paid, (c) the debt evidenced by the note and all indebtedness to Lender secured hereby, (d) inferior liens of record required by law or a competent court to be so paid, (e) at Lender's option, any other indebtedness of Borrower owing to Lender, and (f) any balance to Borrower. At foreclosure or other sale of all or any part of the Property, Lender and its agents may bid and purchase as a stranger and may pay Lender's share of the purchase price by crediting such amount on any debts of Borrower owing to Lender, in the order prescribed

above.

24. Borrower agrees that Lender will not be bound by any present or future state laws, (a) providing for valuation, appraisal, homestead or exemption of the Property, (b) prohibiting maintenance of an action for a deficiency judgment or limiting the amount thereof or the time within which such action may be brought, (c) prescribing any other statute of limitations, (d) allowing any right of redemption or possession following any foreclosure sale, or (e) limiting the conditions which Lender may by regulation impose, including the interest rate it may charge, as a condition of approving a transfer of the Property to a new Borrower. Borrower expressly waives the benefit of any such state law. Borrower hereby relinquishes, waives, and conveys all rights, inchoate or consummate, of descent, dower, and curtesy

25. Release. Upon termination of this mortgage, after payment in full, the mortgagee, at Borrower's expense, shall execute and file or record such instruments of release, satisfaction and termination in proper form pursuant to

the requirements contained in KRS 382.365

26. Riders to this Security Instrument. If one or more riders are executed by Borrower and recorded together with this Security Instrument, the covenants and agreements of each rider shall be incorporated into and

LATE CHARGES, If the Government has not received the full amount of any monthly payment by the end of 15 days after the date it is due, I will pay a late charge. The amount of the charge will be 4 percent of my overdue payment of principal and interest. I will pay this charge promptly, but only once for each late payment.

BORROWER'S RIGHT TO PREPAY. I have the right to make payments of principal at any time before they are due. A payment of principal only is known as a "prepayment." When I make a prepayment, I will tell the Government in writing that I am making a prepayment.

I may make a full prepayment or partial prepayment without paying any prepayment charge. The Government will use all of my prepayments to reduce the amount of principal that I owe under this Note. If I make a partial prepayment, there will be no changes in the due date or in the amount of my monthly payment unless the Government agrees in writing to those changes. Prepayments will be applied to my loan in accordance with the Government's regulations and accounting procedures in effect, on the date of receipt of the payment.

ASSIGNMENT OF NOTE. I understand and agree that the Government may at any time assign this note without my consent. If the Government assigns the note I will make my payments to the assignee of the note and in such case the term "Government" will mean the assignee.

CREDIT ELSEWHERE CERTIFICATION. I certify to the Government that I am unable to obtain sufficient credit from other sources at reasonable rates and terms for the purposes for which the Government is giving me this loan.

USE CERTIFICATION. I certify to the Government that the funds I am borrowing from the Government will only be used for purposes authorized by the Government.

LEASE OR SALE OF PROPERTY. If the property constructed, improved, purchased, or refinanced with this loan is (1) leased or rented with an option to purchase, (2) leased or rented without option to purchase for 3 years or longer, or (3) is sold or title is otherwise conveyed, voluntarily or involuntarily, the Government may at its option declare the entire remaining unpaid balance of the loan immediately due and payable. If this happens, I will have to immediately pay off the entire loan.

REQUIREMENT TO REFINANCE WITH PRIVATE CREDIT. I agree to periodically provide the Government with information the Government requests about my financial situation. If the Government determines that I can get a loan from a responsible ecoperative or private credit source, such as a bank or a credit union, at reasonable rates and terms for similar purposes as this loan, at the Government's request, I will apply for and accept a loan in a sufficient amount to pay this note in full. This requirement does not apply to any cosigner who signed this note pursuant to section 502 of the Housing Act of 1949 to compensate for my lack of repayment ability.

SUBSIDY REPAYMENT AGREEMENT. I agree to the repayment (recapture) of subsidy granted in the form of payment assistance under the Government's regulations.

CREDIT SALE TO NONPROGRAM BORROWER. The provisions of the paragraphs entitled "Credit Elsewhere Certification" and "Requirement to Refinance with Private Credit" do not apply if this loan is classified as a nonprogram loan pursuant to section 502 of the Housing Act of 1949.

DEFAULT. If I do not pay the full amount of each monthly payment on the date it is due, I will be in default. If I am in default the Government may send me a written notice telling me that if I do not pay the overdue amount by a certain date, the Government may require me to immediately pay the full amount of the unpaid principal, all the interest that I owe, and any late charges. Interest will continue to accrue on past due principal and interest. Even if, at a time when I am in default, the Government does not require me to pay immediately as described in the preceding sentence, the Government will still have the right to do so if I am in default at a later date. If the Government has required me to immediately pay in full as described above, the Government will have the right to be paid back by me for all of its costs and expenses in enforcing this promissory note to the extent not prohibited by applicable law. Those expenses include, for example, reasonable attorney's fees.

Any notice that must be given to the Government will be given by mailing it by first class mail to the Government at <u>USDA Rural Housing Service</u>, c/o <u>Customer Service Branch Post Office Box 66889. WARNING: Failure to fully disclose accurate and truthful financial information in connection with my loan application may result in the termination of program assistance currently being received, and the denial of future federal assistance under the Department of Agriculture's Debarment regulations, 7 C.F.R. part 3017.

Subject to applicable law or to a written waiver by Lender, Borrower shall pay to Lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") for: (a) yearly taxes and assessments which may attain priority over this Security Instrument as a licn on the Property; (b) yearly leasehold payments or ground remts on the Property, if any; (c) yearly hazard or property insurance premiums; and (d) yearly flood insurance premiums, if any. These items are called "Escrow Items." Lender may, at any time, collect and hold Funds in an amount not to exceed the maximum amount a lender for a federally related mortgage loan may require for Borrower's escrow account under the federal Real Estate Settlement Procedures Act of 1974 as amended from time to time, 12 U.S.C. § 2601 et seq. ("RESPA"), unless another law or federal regulation that applies to the Funds sets a lesser amount. If so, Lender may, at any time, collect and hold Funds in an amount not to exceed the lesser amount. Lender may estimate the amount of Funds due on the besit of current deta and researche estimates of expenditures of future Escrow Items or otherwise in accordance with on the basis of current data and reasonable estimates of expenditures of future Escrow Items or otherwise in accordance with applicable law

applicable law.

The Funds shall be held by a federal agency (including Lender) or in an institution whose deposits are insured by a federal agency, instrumentality, or entity. Lender shall apply the Funds to pay the Escrow Items. Lender may not charge Borrower for holding and applying the Funds, annually analyzing the escrow account, or verifying the Escrow Items, unless Lender pays Borrower interest on the Funds and applicable law permits Lender to make such a charge. However, Lender may require Borrower to pay a one-time charge for an independent real estate tax reporting service used by Lender in connection with this loan, unless applicable law provides otherwise. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Borrower and Lender may agree in writing, however, that interest shall be paid on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds, showing credits and debits to the Funds and the purpose for which each debit to the Funds was made. The Funds are pledged as additional security for all sums secured by this Security Instrument.

If the Funds held by Lender exceed the amounts permitted to be held by applicable law, Lender shall account to Borrower for the excess funds in accordance with the requirements of applicable law. If the amount of the Funds held by Lender at any time is not sufficient to pay the Escrow Items when due, Lender may so notify Borrower in writing, and, in such

Lender at any time is not sufficient to pay the Escrow Items when due, Lender may so notify Borrower in writing, and, in such case Borrower shall pay to Lender the amount necessary to make up the deficiency. Borrower shall make up the deficiency in

no more than twelve monthly payments, at Lender's sole discretion.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If Lender shall acquire or sell the Property after acceleration under paragraph 22, Lender, prior to the acquisition or sale of the Property, shall apply any Funds held by Lender at the time of acquisition or sale as a credit against the sums secured by this Security Instrument.

the sums secured by this Security Instrument.

3. Application of Payments. Unless applicable law or Lender's regulations provide otherwise, all payments received by Lender under paragraphs 1 and 2 shall be applied in the following order of priority: (1) to advances for the preservation or protection of the Property or enforcement of this lien; (2) to accrued interest due under the Note; (3) to principal due under the Note; (4) to amounts required for the escrow items under paragraph 2; (5) to late charges and other fees and charges.

4. Charges; Liens. Borrower shall pay all taxes, assessments, charges, fines and impositions attributable to the Property which may attain priority over this Security Instrument, and leasehold payments or ground rents, if any. Borrower shall pay these obligations in the manner provided in paragraph 2, or if not paid in that manner, Borrower shall pay them on time directly to the person owed payment. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this paragraph. If Borrower makes these payments directly, Borrower shall promptly furnish to Lender receipts evidencing the payments.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Lender has agreed in writing to such lien or Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender; (b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings which in the Lender's opinion operate to prevent the enforcement of the lien; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which may attain priority over this Security Instrument, Lender may give Borrower a notice

5. Hazard or Property Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and any other hazards, including floods or flooding, for which Lender requires insurance. This insurance shall be maintained in the amounts and for the periods that Lender requires. The insurer providing the insurance shall be chosen by Borrower subject to Lender's approval which shall not be unreasonably withheld. If Borrower fails to maintain coverage described above, at Lender's option Lender may obtain coverage to protect Lender's rights in the Property pursuant to paragraph 7.

All insurance policies and renewals shall be in a form acceptable to Lender and shall include a standard mortgagee clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall give prompt notice to the

clause. Lender shall have the right to hold the policies and renewals. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower.

Unless Lender and Borrower otherwise agree in writing, insurance proceeds shall be applied to restoration or repair of the Property damaged, if the restoration or repair is economically feasible and Lender's security is not lessened. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. If Borrower abandons the Property, or does not answer within thirty (30) days a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may collect the insurance proceeds. Lender may use the proceeds to repair or restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The thirty (30) day period restore the Property or to pay sums secured by this Security Instrument, whether or not then due. The thirty (30) day period will begin when the notice is given.

Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to in paragraphs 1 and 2 or change the amount of the payments. If after acceleration the Property is acquired by Lender, Borrower's right to any insurance policies and proceeds resulting from damage to the Property prior to the acquisition shall pass to Lender to the extent of the sums secured by this Security

6. Preservation, Maintenance, and Protection of the Property; Borrower's Loan Application; Leaseholds. Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate, or commit waste on the Property. Borrower shall maintain the improvements in good repair and make repairs required by Lender. Borrower shall comply with all laws, ordinances, and regulations affecting the Property. Borrower shall be in default if any forfeiture action or proceeding, whether civil or criminal, is begun that in Lender's good faith judgment could result in forfeiture of the Property or otherwise materially impair the lien created by this Security Instrument or Lender's security interest. Borrower Property or otherwise materially impair the lien created by this Security Instrument or Lender's security interest. Borrower may cure such a default by causing the action or proceeding to be dismissed with a ruling that, in Lender's good faith determination, precludes forfeiture of the Borrower's interest in the Property or other material impairment of the lien created by this Security Instrument or Lender's security interest. Borrower shall also be in default if Borrower, during the loan application process, gave materially false or inaccurate information or statements to Lender (or failed to provide Lender with any material information) in connection with the loan evidenced by the Note. If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

7. Protection of Lender's Rights in the Property. If Borrower fails to perform the covenants and agreements contained in this Security Instrument, or there is a legal proceeding that may significantly affect Lender's rights in the Property (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture or to enforce laws or regulations), then Lender may do and pay for whatever is necessary to protect the value of the Property and Lender's rights in the Property. Lender's actions may include paying any sums secured by a lien which has priority over this Security Instrument, appearing in court, paying reasonable attorneys' fees and entering on the Property to make repairs. Although Lender may take action under this paragraph 7, Lender is not required to do so.

Any amounts disbursed by Lender under this paragraph 7 shall become additional debt of Borrower secured by this Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the

Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting

- 8. Refinancing. If at any time it shall appear to Lender that Borrower may be able to obtain a loan from a responsible cooperative or private credit source, at reasonable rates and terms for loans for similar purposes, Borrower will, upon the Lender's request, apply for and accept such loan in sufficient amount to pay the note and any indebtedness secured hereby in
- 9. Inspection. Lender or its agent may make reasonable entries upon and inspections of the Property. Lender shall give
- Borrower notice at the time of or prior to an inspection specifying reasonable cause for the inspection.

 10. Condemnation. The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the Property, or for conveyance in lieu of condemnation, are hereby assigned and

shall be paid to Lender. In the event of a total taking of the Property, the proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with any excess paid to Borrower. Any balance shall be paid to Borrower. In the event of a partial taking of the Property in which the fair market value of the Property immediately before the taking is less than the amount of the sums secured hereby immediately before the taking, unless Borrower and Lender otherwise agree in writing or unless applicable law otherwise provides, the proceeds shall be applied to the sums secured by this Security Instrument whether or not the sums are then due.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the condemnor offers to make an award or settle a claim for damages, Borrower fails to respond to Lender within thirty (30) days after the date the notice is given, Lender is authorized to collect and apply the proceeds, at its option, either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due. Unless Lender and Borrower otherwise agree in writing, any application of proceeds to principal shall not extend or postpone the due date of the monthly payments referred to

SUBSIDY REPAYMENT AGREEMENT

Only one agreement should be executed by the subject borrower for the subject property. The agreement is completed at the closing of the first Agency loan to the borrower regardless of whether or not they qualify for payment assistance at that time.

- 1. As required under section 521 of the Housing Act of 1949 (42 U.S.C. 1490a), subsidy received in accordance with a loan under section 502 of the Housing Act of 1949 is repayable to the Government upon the disposition or nonoccupancy of the security property. Deferred mortgage payments are included as subsidy under this agreement.
- 2. When I fail to occupy or transfer title to my home, recapture is due. If I refinance or otherwise pay in full without transfer of title and continue to occupy the property, the amount of recapture will be calculated but; payment of recapture can be deferred, interest free, until the property is subsequently sold or vacated. If deferred, the Government mortgage can be subordinated but will not be released nor the promissory note satisfied until the fovernment is paid in full. In situations where deforment of recapture is an option, recapture will be discounted 25% if paid in full at time of settlement.
- 3. Calculating Original Equity.

For Self-Help loans, the market value is the appraised value as determined at the time of loan approval/obligation, which is subject to completion per plans and specifications. If the house is not ultimately furnished under the Self-Help program, an amended agreement using the market value definition for sil other transactions as outlined below must be completed.

For all other transactions, the market value is the lower of the:

(Determined by dividing original equity by the market value)

Sales price, construction/rehabilitation cost, or total of these costs, whichever is applicable

OR

Appraised value as determined at the time of loan approval/obligation.

If the applicant owns the building site free and clear or if an existing non-Agency debt on the site without a dwelling will not be refinanced with Agency funds, the market value will be the lower of the appraised value or the construction cost plus the value of the site.

Divide the balance of loans subject to recapture that are being paid by the balance of all open loans. Multiply the result by 100 to determine the percent of the outstanding balance of open loans being paid.

The United States of America, acting through the Rural Housing Service, United States Department of Agriculture (Lender), is the owner and holder of a promissory note or assumption agreement (Note) in the principal sum of \$ 60960.99, plus interest on the unpaid principal of 5.75000% per year, executed by MARTHA T PIERCE and

, (Borrower) dated January 9, 2007 and payable to the order of the Lender. The current outstanding balance includes unpaid principal, accrued unpaid interest, unpaid advances and fees. The total outstanding balance is \$ 60491.62.

In consideration of the reamortization of the note or assumption agreement and the promises contained in this agreement, the outstanding balance is capitalized and is now principal to be repaid at 5.75000% per annum at \$ 387.10 per month beginning January 09, 2016 and on the 9th day of each succeeding month until the principal and interest are paid, except that the final installment of the entire debt, if not paid sooner, will be due and payable on January 09, 2040.

If the outstanding loan balance prior to reamortization was reduced by a payment which was later determined to be uncollectible, Rural Development will charge the account with an amount equal to the uncollectible payments. This amount is due and payable on the effective date it is charged to the account and may accrue interest at the promissory note rate.

Subject to applicable law or to a written waiver by Lender, Borrower shall pay to lender on the day monthly payments are due under the Note, until the Note is paid in full, a sum ("Funds") for : (a) yearly taxes and assessments which may attain priority over Lender's mortgage or deed of trust (Security Instrument) as a lien on the secured property described in the Security Agreement (Property); (b) yearly leasehold payments or ground rents on the Property, if any; (c) yearly hazard or property insurance premiums; and (d) yearly flood insurance premiums, if any. These items are called "Escrow Items." Lender may, at any time, collect and hold funds in an amount not to exceed the maximum amount a lender for a federally related mortgage loan, may require for Borrower's escrow account under the federal Real Estate Settlement Procedures Act of 1974 as amended from time to time, 12 U.S.C. Section 2601 et seq. ("RESPA"), unless another law or federal regulation that applies to the funds sets a lesser amount. If so, Lender may, at any time, collect and hold funds in an amount not to exceed the lesser amount. Lender may estimate the amount of Funds due on the basis of current data and reasonable estimates of expenditures of future Escrow Items or otherwise in accordance with applicable law.

Exhibit 6

The funds shall be held by a federal agency, including Lender, or in an institution whose deposits are insured by a federal agency, instrumentality, or entity. Lender shall apply funds to pay the Escrow Items. Lender may not charge Borrower for holding and applying the Funds, annually analyzing the escrow account, or verifying the Escrow Items, unless Lender pays Borrower interest on the Funds and applicable law permits the Lender to make such charge. However, Lender may require borrower to pay a one-time charge for an independent real estate tax reporting service used by Lender in connection with this loan, unless applicable law provides otherwise. Unless an agreement is made or applicable law requires interest to be paid, Lender shall not be required to pay Borrower any interest or earnings on the funds. Borrower and Lender may agree in writing, however, that interest shall be paid on the funds.

Lender shall give to borrower, without charge, an annual accounting of the funds, showing credits and debits to the funds and the purpose for which each debit to the Funds was made. The funds are pledged as additional security for all sums secured by this Security Instrument.

If the Funds held by Lender exceed the amounts permitted to be held by applicable law, Lender shall account to Borrower for the excess Funds in accordance with the requirements of applicable law. If the amount of the Funds held by Lender at any time is not sufficient to pay the Escrow Items when due, Lender may notify Borrower in writing, and, in such case Borrower shall pay to Lender the amount necessary to make up the deficiency. Borrower shall make up the deficiency in no more than twelve monthly payments, at Lender's sole discretion.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender. If Lender shall acquire or sell the Property, Lender, prior to the acquisition or sale of the Property, shall apply any Funds held by Lender at the time of acquisition or sale as a credit against the sums secured by this Security Instrument.

Unless changed by this agreement, all of the terms of the note or assumption agreement or the instruments that secure them, remain unchanged.

Upon default in the payment of any one of the above installments or failure to comply with any of the conditions and agreements contained in the above-described note or assumption agreement or the instruments securing it, the Lender, at its option may declare the entire debt immediately due and payable and may take any other action authorized to remedy the default.
